ABOUT ME

With 3+ years of industrial & remote experience in developing Angular (Web) + Native Mobile Apps (Ionic) and completed 500+ Client Websites with perfection. Turned many Photoshop / Figma / Justinmind Prototype / Illustrator designs to Angular (Ionic), WordPress, Shopify, ClickFunnel, Squarespace & Custom Fully Responsive Landing Pages.

I'm self starter, quick learner, works Independtly & as well as in a Team, can handle multiple tasks with tight deadlines. I can master various aspects of Job with limited training. Excellent organizer with great verbal & problem solving skills.
